Limited financial aid is available through an application process and is awarded based on financial need and the available funds for the upcoming school year. Information about the application process is available by picking up a financial aid packet in the school office or on-line at [www.factstuitionaid.com](http://www.factstuitionaid.com). Financial aid applications will be processed by the FACTS Tuition Management Service through their Grant & Aid Assessment program. **Financial Aid submission deadline for the 2010-2011 school year is May 1, 2010.** If you have questions about the financial aid process, please contact Coral Perrigo.

### OTHER FEES

- Any additional testing other than the fall SAT's deemed necessary for placement or for diagnostic purposes will be paid by the parents.
- FUNDRAISING: All families are required to participate in fundraising efforts each year. We expect each student to help raise \$200 annually to help offset administrative costs. This is done throughout the year through our annual Auction, Raffle, and Scrip.
